Commercial services from Southampton City Council

Reliable, professional services for event organisers in and around Southampton

We have extensive experience of delivering high-quality, reliable services to residents of the city, and we can draw on that experience to deliver first-class services for your event at competitive rates.

Waste and recycling

We specialise in providing affordable, local and reliable waste collection services to events in Southampton and the surrounding areas. We can also provide events with waste containers of varying capacities for general waste, recycling and glass. Our experienced operatives will be able to provide professional and trustworthy advice to find solutions which best fit your needs, to ensure you have sufficient resource at an affordable price.

In addition to waste collections, we can provide:

- Litter-picking services
- Cleansing services during and/or after your event
- Jet washing and mechanical sweeping

Advertising opportunities for event organisers in Southampton

Digital advertising

Website

southampton.gov.uk is visited around 250,000 times each month by people who live in and around Southampton. Advertising on our website allows you to raise awareness of your event on a website which local residents trust. If you'd like to target council staff, there's also the opportunity to advertise your event on our internal intranet.

E-alerts

Advertise your event in our Stay Connected e-alerts, which residents subscribe to, to be kept up-to-date with news on a variety of different city topics. You can also advertise on our internal e-alerts which we send to all our staff.

Discover Southampton

Add your event free of charge to the Discover Southampton website, which is a hub of information for visitors, as well as residents of Southampton, featuring events and activities taking place in the city.
